NO-PEST STRIP

EPA Reg. No. 5481-338

Page 2 of 3

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Remove pre-assembled ALCO NO-PEST STRIP from sealed bag when ready to use. Hang in desired location away from windows and out of reach of children and pets. Do not use where unwrapped food is stored or allow the strip to come into contact with food or cooking utensils. Drafts, weather and other conditions may affect the performance, but treatment usually last for (4) months. Record the date of installation and replace with a new, fresh, full strength strip at the end of four (4) months or when effectiveness diminishes.

Assembly instructions for non-assembled strip.

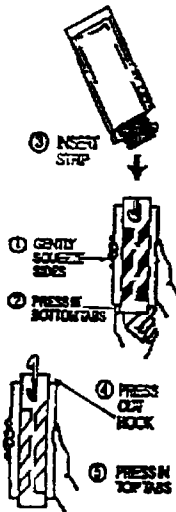

1. Gently squeeze edges of holder to open ends of unit.

2. Press in bottom locking tabs to prevent strip from sliding out of holder.

3. Without damaging the strip inside, carefully cut open the envelope with scissors. Slide bar into the holder at the top.

4. Press in top locking tabs to secure strip inside holder.

5. To hang, attach metal hook through hole of unit.

How much space will one strip treat?

Size	Treats	Space Treated
10.5 g	50-100 cu.ft.	8'x4'x3'=96 cu.ft.
21 g	100-200 cu.ft.	8'x8'x3'=192 cu.ft.
80 g	900-1200 cu.ft.	12'x12'x8'=1152 cu.ft.

Always use the appropriate size and number of ALCO NO-PEST STRIPS for the space being treated. If more than one is required distribute them over the space equally.

HOUSEHOLD / INDUSTRIAL / COMMERCIAL

Homes, Cabins, Garages, Motels

Use as a Fly Killer

ALCO NO-PEST STRIP kills flies, gnats, mosquitoes, moths, silverfish, cockroaches, spiders, beetles and earwigs. ALCO NO-PEST STRIP also protects clothes against moths. When using around clothing, make sure strip does not contact clothes or fabric and that air can circulate around the strip. Always refer to treatment chart to determine proper size and amount of ALCO NO-PEST STRIPS to be used.

Use as a Small Space Insect Killer

Kills flies and other household insects as listed all summer long. Remove from sealed bag and hang out of reach of children and pets and away from windows. Always refer to treatment chart to determine proper size and amount of ALCO NO-PEST STRIPS to be used.

Closets, Wardrobes and Storage Spaces

Gives continuous protection against moths, silverfish, cockroaches and other insects as listed in closets, wardrobes and storage spaces. ALCO NO-PEST STRIP also protects clothes against moths and leaves no smell. Remove from sealed bag and hang on closet rail, ensuring that strip does not contact clothes or fabrics and that air can circulate around the strip. Always refer to treatment chart to determine proper size and amount of ALCO NO-PEST STRIPS to be used. Do not allow children or pets to sleep in closets, wardrobes or storage spaces while treatment is in progress.

Garbage Cans, Trash Dumpsters

To control flies in garbage cans and dumpsters attach ALCO NO-PEST STRIP inside can or dumpster. Keep lid on can or dumpster closed. Always refer to treatment chart to determine proper size and amount of ALCO NO-PEST STRIPS to be used.

Animal Buildings

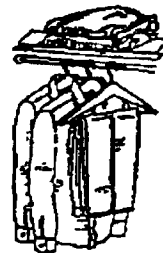

Controls flies, mosquitoes, and gnats in horse barns, calf parlors, hog parlors, stables, poultry houses, tack rooms and dog kennels. Do not contaminate food, water or foodstuffs. Do not contaminate milk or milking equipment. Always refer to treatment chart to determine proper size and amount of ALCO NO-PEST STRIPS to be used.

Milk Rooms

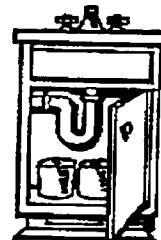

Controls flies, mosquitoes, and gnats in milkrooms and bulk storage rooms. DO NOT contaminate milk or milking equipment. Always refer to treatment chart to determine proper size and amount of ALCO NO-PEST STRIPS to be used.

Agricultural Commodities

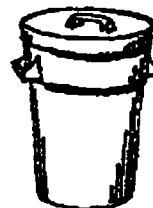

Bulk Storage of raw grains, corn, soybeans, cocoa beans, and peanuts. Controls Almond Moths, Cocoa Moth, Indian Meal Moth, and Mediterranean Flour Moths infesting non-perishable bulk stored raw agricultural commodities. Calculate cubic feet of air space above the commodity to determine the number of ALCO NO-PEST STRIPS required for treatment. Treat in early spring before moths begin to emerge. Replace strip when needed to prevent egg laying by moths.

NO-PEST STRIP

EPA Reg. No. 5481-338

Catch Basins

To control mosquitoes breeding in catch basin, suspend one ALCO NO-PEST STRIP about ten (10) inches above water level. Usual control lasts 10 to 15 weeks.

Utility

To control Fire Ants, and Wasps, which commonly infest utility enclosures, cabinets, and junctions. Remove from sealed bag and hang so air can contact all sides of the ALCO NO-PEST STRIP. Use ALCO NO-PEST STRIP in enclosed areas for utility equipment such as communications equipment, electric, gas, water and cable television. Always refer to treatment chart to determine proper size and amount of ALCO NO-PEST STRIPS to be used.

Reptile Houses / Terrariums

For control of mites on reptiles: In Reptile Houses: Hang appropriate number of 80 gram bars per 1,000 cu.ft. for the space to be treated. Do not over treat. In Terrariums: Cover the top of an open terrarium having a minimum size of 10 cubic feet with a wire screen and place a caged 21 gram bar on the screen for 48 hours. Make sure that the reptiles can not touch or contact the strip.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Do not open or remove from package before ready to install. Store in cool, dry place. Do not reuse packaging. Wrap used packaging in several layers of newspaper and discard in trash collection.

IMPORTANT: PLEASE READ BEFORE USE

By using this product, the user accepts the following: **LIMITED WARRANTY:** AMVAC warrants that (a) this product conforms to the chemical description on its label; (b) this product is reasonably fit for the purposes stated on its label, subject to the inherent risks referred to herein, when used in accordance with its directions; and (c) that the directions, warnings, cautions, and other statements on this label are based upon responsible experts' evaluations of reasonable tests of effectiveness. There are no express warranties other than those set forth herein. Amvac neither makes nor intends, nor does it authorize any agent or representative to make, any other warranty, express or implied. Amvac expressly excludes and disclaims all implied warranties of merchantability, fitness for particular purpose, or any other warranty of quality or performance. This warranty does not extend to, and the user shall be solely responsible for, any loss or damage which results from the use of this product in any manner which is inconsistent with this label's directions, warnings or cautions. User's exclusive remedy and Amvac's or seller's exclusive liability for any claim, loss, damage, or injury resulting from the use or handling of this product, whether or not based in contract, negligence, strict liability in tort, or otherwise, shall be limited, at Amvac's option, to replacement of, or repayment of the purchase price for, the quantity of product with respect to which damages are claimed. In no event shall Amvac or Seller be liable for special, indirect, or consequential damages resulting from the use or handling of this product.
